Short Description	Long Description	Directions	Volume mL/g	Height (mm)	Width (mm)	Length (mm)
Lightweight, flexible hold with malleable control.	Flex is the ultimate lightweight, flexible hairspray designed to layer and give hold for natural movement or full control workable and buildable, it delivers pliable hold with natural shine and no stick or crunch, making it perfect as both a styling and finishing spray. Enriched with White Tea Extract, Flex will retain moisture, boost manageability, and enhance shine - all while allowing styles to be reworked and brushes out as needed.	Shake well before use. Hold can approximately 20cm from dry hair and spray as desired. Use to build up shape, add control, or finish styles with a natural, touchable hold.	430ml	255mm	57mm	57mm
