MATERIAL SAFETY DATA SHEET

PRODUCT: MASCARA TANGO FAUX CILS + SYMPEPTIDE

November, 2012

4. First Aid Measures

Eyes: immediately flush with copious amounts of water for at least 15 minutes or with a saline solution keeping the eyelids open. Consult an ophthalmologist.

Skin: no irritation evident. In case of irritation, consult a doctor. Wash with neutral soap and water and apply moisturizing cream in case of dryness.

Inhalation: move to the fresh air and consult a doctor.

Ingestion: consult a doctor. No harmful effects have been found so treat any symptoms according to their severity. Rinse your mouth immediately.

5. Fire prevention measures

There is no danger of fire or explosion in normal use conditions. The product is not inflammable and can not explode.

The effects of decomposition due to the presence of high temperature has not been observed. CO and CO₂ could be released from product if the temperature is higher than 150-200°C. Extinguishing materials: CO₂, foam and dust. Extinguish the source of heat and always wear appropriate clothing when fighting a fire.

6. Accidental spillage measures

Use absorbent material like sawdust, sand, specific absorbent material, etc. to spread over the spilled product. Wash the surface well with water.

7. Handling and storage

Handling.

Use in a well ventilated area. Avoid leaving the material in passage ways: walkways, stairs, etc, because the product could be slippery.

Storage.

Conserve in a dry place; avoid humidity. All standard types of packaging can be used.

8. Individual exposure/protection control

To contain the exposure, use in a well ventilated environment. Observe the standard industrial health regulations: do not eat, drink or smoke during use. Wash your hands well with soap and water before meals and after your shift.
