### SECTION 7 SPECIAL PROTECTION INFORMATION

Respiratory protection: None required under normal use.  
Ventilation: None required under normal use.  
Eye Protection: Avoid eye contact. Use of protective eyewear needed during production of product.  
Other protective equipment: None required under normal use.

### SECTION 8 PHYSICAL AND CHEMICAL PROPERTIES

- **Color, Odor and Appearance:** Pigmented semi viscous ,opaque ,red color
  - **Melting Point:** Not applicable.
  - **Physical State:** Liquid.
  - **Boiling Point:** Not applicable.
  - **pH:** 7.5
  - **Solubility in Water:** Soluble.
  - **Flashpoint:** Not applicable.
  - **% VOC:** Complies with Federal and State regulations for VOC content.
  - **Vapor Density:** Not applicable.
- Specific Gravity:** 0.848-0.878

### SECTION 9 TRANSPORTATION

Proper Shipping Name- DOT: Non-Regulated. Not hazardous for transport.

Hazard Class: None.

UN No.: None.

Packing Group: None.

Proper Shipping Name- IATA: Non-Regulated. Not hazardous for transport.

Proper Shipping Name- IMDG: Non-Regulated. Not hazardous for transport.

### SECTION 10 ECOLOGICAL DATA.

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

### SECTION 11 TOXICOLOGICAL DATA.

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoints is available from the supplier upon request.

To safeguard the purity of the product and applicator: (1) Always handle and apply in a careful and sanitary manner; (2) Do not share with others; (3) Do not add anything to the product; (4) Do not rest the applicator on any surface or use an old applicator in a new case; (5) Cap tightly to help prevent changes in odor or appearance (if change occurs, discontinue use).

**Chronic Effects:** Finished product is not expected to have chronic health effects.

**Target Organs:** No adverse health effects on target organs expected for finished product.

**Carcinogenicity:** Finished product is not expected to be carcinogenic.

### SECTION 12 REGULATORY INFORMATION

None Known

### SECTION 13 OTHER INFORMATION

Last Revision: 06/2013

**DISCLAIMER:** This MSDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Dreamlook Inc. to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee exposures, property damage or release to the environment. Dreamlook Inc. assumed no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

#### **SECTION 10 ECOLOGICAL DATA.**

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.
