# Material Safety Data Sheet

May be used to comply with OSHA's Hazard Communication Standard, 29 CFR 1910.1200. This Standard must be consulted for specific requirements.

## **U.S. Department of Labor**

Occupational Safety and Health Administration (Non-Mandatory Form)
Form Approved
OMB No. 1218-0072

## IDENTITY (As Used on Label and List) Pure Fluid Experience

#### Section I US Distributor

| Manufacturer's Name          | Emergency Telephone Number       |
|------------------------------|----------------------------------|
| IT&LY HAIRFASHION N.A., INC. | 1-800-621-4859                   |
| P.O. Box 162                 | Telephone Number for Information |
|                              | 724-869-3410                     |
| 250 Ohio River Blvd.         | Date Prepared                    |
|                              | 4/1/06                           |
| Baden, PA 15005              | Signature of Preparer (optional) |
|                              | , , ,                            |

## **Section II - Hazard Ingredients/Identity Information**

| Hazardous Components (Specific Chemical Identity;<br>Common Name(s)) | OSHA PEL | ACGIH<br>TLV | Other Limits<br>Recommended | % (optional) |
|--|----------|--------------|-----------------------------|--------------|
| n/a  | n/a      | n/a          | n/a                         | n/a          |
|  |          |              |                             |              |
|  |          |              |                             |              |
|  |          |              |                             |              |
|  |          |              |                             |              |
|  |          |              |                             |              |
|  |          |              |                             |              |

## **Section III - Physical/Chemical Characteristics**

| Boiling Point   | N/A | Specific Gravity ( $H_2O = 1$ )      | N/A |
|---|-----|--------------------------------------|-----|
| Vapor Pressure (mm Hg.)   | N/A | Melting Point                        | N/A |
| Vapor Density (AIR = 1)   | N/A | Evaporation Rate (Butyl Acetate = 1) | N/A |
| Solubility in Water: N/A  |     |                                      |     |
| Appearance and Odor: Light Blue Viscous Liquid, Characteristic Odor |     |                                      |     |

## Section IV - Fire and Explosion Hazard Data

| Flash Point (Method Used): N/A          | Flammable Limits: | LEL: N/A | UEL: N/A |  |
|---|-------------------|----------|----------|--|
|   |                   |          |          |  |
|   |                   |          |          |  |
| Extinguishing Media: N/A                |                   |          |          |  |
|   |                   |          |          |  |
| Special Fire Fighting Procedures: N/A   |                   |          |          |  |
|   |                   |          |          |  |
| Unusual Fire and Explosion Hazards: N/A |                   |          |          |  |
| 1                                       |                   |          |          |  |

### **Section V - Reactivity Data**

| Stability: Stable Under Normal Circumstances | Conditions to Avoid: N/A |
|--|--------------------------|
|  |                          |
| Incompatibility (Materials to Avoid): N/A    |                          |
|  |                          |
| Hazardous Decomposition or Byproducts: N/A   |                          |
|  |                          |
| Hazardous                                    | Conditions to Avoid: N/A |
| Polymerization: N/A                          |                          |

#### Section VI - Health Hazard Data

| Route(s) of Entry:  | Inhalation? No             | Skin? Yes            | Ingestion? Yes      |
|---|----------------------------|----------------------|---------------------|
| •   |                            |                      |                     |
| Health Hazards (Acute and Chronic) No Adverse Effects Have Been Observed By Consequence Of A Normal                   |                            |                      |                     |
| Use/Exposition.   |                            |                      |                     |
| Carcinogenicity:  | NTP? N/A                   | IARC Monographs? N/A | OSHA Regulated? N/A |
|   |                            |                      | _                   |
| Signs and Symptoms of Expos   | sure: Red, Irritated Eyes. |                      |                     |
|   |                            |                      |                     |
| Medical Conditions  |                            |                      |                     |
| Generally Aggravated by Exposure: N/A   |                            |                      |                     |
| Emergency and First Aid Procedures: <u>Ingestion</u> : No Not Induce Vomit. Seek Medical Advice Immediately & Produce |                            |                      |                     |
| Label Or Packaging. Skin: Rinse Immediately With Plenty Of Water. Seek Medical Advice In Case Of Continuous           |                            |                      |                     |
| Irritation. Eyes: Wash With Plenty Of Water. Seek Medical Advice In Case Of Continuous Irritation.                    |                            |                      |                     |
| <del></del>   | •                          |                      |                     |

### **Section VII - Precautions for Safe Handling and Use**

Steps to Be Taken in Case Material is Released or Spilled: Do Not Flush Away With Water. Absorb Small Amounts With A Liquid Binding Material Such As Diatomaceous Earth. Contain Larger Amounts & Pump Up Into Suitable Containers.

Waste Disposal Method: Dispose Of According To Local/State/Federal Regulations.

Precautions To Be Taken In Handling And Storing: Keep Container Tightly Closed And Store In A Cool, Well Ventilated Place

Other Precautions: Clean Any Slippery Coating That Remains Using A Cold Cleaner (E.G. Petroleum Naphtha Or A Water/Surfactant Mix).

#### **Section VIII - Control Measures**

| Respiratory Protection (Specify Type)                        |                          |                                    |                       |  |
|--|--------------------------|------------------------------------|-----------------------|--|
|  |                          |                                    |                       |  |
| Ventilation:   | Local Exhaust: Yes       |                                    | Special: N/A          |  |
|  | Mechanical (General) N/A |                                    | Other: None           |  |
| Protective Gloves: Rubber Gloves                             |                          | Eye Protection: Protective Goggles |                       |  |
| Other Protective Clothing or Equipment: Use Suitable Clothes |                          |                                    |                       |  |
| Work/Hygienic Practices: Ensure Adeq                         | uate Ventilation. Spill  | ed Substance Increas               | ses Risk Of Slipping. |  |
