JOON
Haircare

SAFETY DATA SHEET

Issue Date: 2/20/2025
Version: 01

Section 1: Identification

Manufacturer:	Joon Haircare 8750 Westpark Dr. Houston, TX 77063 (713) 532-1111 M-F: 9AM – 5PM Outside these hours, contact poison control in case of emergency	Product Name: Product Identifier: Product Type: Recommended Use:	Joon - Volumizing Mousse VL5-50-1R Finished Product - Consumer (Retail) Use Only Personal Care

Section 2: Hazard(s) Identification

This product is not classified as hazardous under GHS/OSHA regulations and is exempt from OSHA's Hazard Communications Standard (29 CFR 1910.1200) when used as intended

Classification:	Not Classified
Signal Word	None
Hazard Statement(s):	None
Hazard Pictogram(s):	None
Precautionary Statement(s):	Observe standard good hygiene practices If medical advice is needed, have product label at hand Keep out of reach of children

Section 3: Composition / Information on Ingredients

This product contains Non-Hazardous cosmetic ingredients in water-based formulation and has no hazardous ingredients exceeding regulatory thresholds. Chemical identity and composition have been withheld as trade secret

Section 4: First Aid Measures

First aid measures for different exposure routes:

Eyes:	Rinse with water if irritation occurs. If discomfort persists, seek medical attention
Skin:	Generally non-irritating under normal use. If irritation occurs, rinse with water. If discomfort persists, seek medical attention
Inhalation:	Not anticipated under normal use. Move to fresh air if discomfort
Ingestion:	Rinse mouth, drink water if needed. Seek medical attention, if symptoms occur
Notes to Physician:	Treat symptomatically

Section 5: Fire Fighting Measures

Suitable Extinguishing Media:	Water spray, Carbon Dioxide, Dry chemical, Foam (depending on packaging)
Special Hazards:	No data available. Product generally not flammable
Protective Equipment:	As in any fire, wear full protective gear and MSHA/NIOSH-approved self-contained breathing apparatus (SCBA) in positive-pressure mode

Section 6: Accidental Release Measures

Personal Precautions:	None under normal use. Use standard protective measures
Environmental Precautions:	Avoid large releases to waterways
Methods for Cleanup:	Material may be slippery. Absorb with sand or inert material. Clean area with water or detergent and dispose in accordance with local/national regulations

Section 7: Handling and Storage

Handling:	No special requirements. Handle with proper personal hygiene practices and protect containers from physical damage
Storage:	Keep containers closed to prevent contamination and store at room temperatures away from direct sunlight. Keep out of reach of children and pets

Section 8: Exposure Controls/Personal Protection

Exposure Limits:	None under normal use
Engineering Controls:	No information available
Environmental Exposure Controls:	No information available

Personal Protective Equipment

Eye Protection:	None under normal use
Skin Protection:	None under normal use. May cause skin irritation in sensitive individuals
Respiratory Protection:	None under normal use

Section 9: Physical and Chemical Properties

Material Description

Physical State at 25°C:	Liquid	Appearance:	Colorless to Light Amber, Clear Liquid
Odor:	Characteristic	Odor Threshold:	No data available

General Properties

Melting/Freezing Point:	No data available	Boiling Point:	No data available
pH:	6.00 - 7.00	Viscosity:	No data available
Specific Gravity:	1.020 - 1.030	Solubility:	Water
Decomposition Temperature:	No data available		

Volatility

Evaporation Rate:	No data available	Vapor Density:	No data available
Vapor Pressure:	No data available	VOC Content (%):	No data available

Flammability

Flashpoint:	No data available	Upper Flammability/Explosion Limits:	No data available
Flammability:	No data available	Lower Flammability/Explosion Limits:	No data available
Autoignition Temperature:	No data available		

Environmental

Partition Coefficient (n-octanol/water):	No data available

Section 10: Stability and Reactivity

Stability:	Stable under normal conditions
Reactivity:	Non-reactive under normal conditions
Incompatible Materials:	None known
Hazardous Decomposition:	None under normal use
Hazardous Reactions:	None under normal use
Conditions to Avoid:	None under normal use

Section 11: Toxicological Information

Toxicological data for this product have not been determined, however, it is considered safe under intended use. Animal testing is not performed

Potential Routes of Exposure:	Skin/Eye
Acute Effects:	No adverse effects expected. Possible Irritation in sensitive individuals
Skin Contact:	No known effects
Eye Contact:	No known effects
Skin Irritation:	No known effects
Eye irritation:	No known effects
Skin Sensitization:	No known effects
Carcinogenicity:	No known effects
Mutagenicity:	No known effects
Reproductive Effects:	No known effects

Section 12: Ecological Information

Ecotoxicity:	Not expected to be harmful
Persistence/Degradability:	No data available
Bioaccumulation Potential:	No data available
Mobility in Soil:	No data available

Section 13: Disposal Considerations

Disposal Methods:	Minimize waste whenever possible. Recycle packaging or containers where facilities are available and dispose of contents in accordance with applicable regulations. If no hazardous ingredients are present, standard methods may be acceptable

Section 14: Transportation Information

This product is not classified as a regulated material under applicable transportation regulations. No special shipping classification is required.

Proper Shipping Name:	Not applicable
UN Number:	Not applicable
Hazard Class:	Not applicable
Packaging Group:	Not applicable

Section 15: Additional Regulatory Information

US Federal Regulations

FD&C Act:	This product is regulated by the Food and Drug Administration (FDA) under the Federal Food, Drug, and Cosmetic (FD&C) Act and is safe to use per directions on container, box or accompanying literature (where applicable)
California Proposition 65:	Not subject to warning labeling under California Proposition 65
U.S. State Right to Know (RTK) Regulations:	Not applicable for consumer use
VOC Content Regulations:	Complies with U.S. State and Federal regulations for VOC content in consumer products
SARA Title III Section 313:	Not applicable for consumer use
CERCLA:	Not applicable for consumer use
Clean Air Act (Hazardous Air Pollutants (HAPs)):	Not applicable for consumer use
Clean Water Act:	Not applicable for consumer use

Chemical Inventories

U.S. Toxic Substances Act (TSCA):	Exempt from the inventory requirements
IFRA:	Fragrance contained with this product complies with appropriate IFRA guidance

Section 16: Other Information

Disclaimer:	The information in this Safety Data Sheet (SDS) is believed to be accurate as of the publication date. It is for informational purposes only and does not constitute a warranty or quality specification. We make no warranties, express or implied, and assume no liability for its use, reliance, or dissemination. This product is intended for consumer use only as directed on the label. The information applies solely to the specified material and may not be valid if used with other substances or processes. Users are responsible for compliance with safety regulations and for informing those handling or exposed to this product. This SDS complies with OSHA Hazard Communication Standard (29 CFR 1910.1200)
