^{** =} Components marked with double asterisk are present above De minimus cut off level and subject to the reporting requirements of Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

	Section 3. Hazard Identification
Emergency Overview:	This is a personal care product that is safe for consumers and other users under intended and reasonably foreseeable use.
	Potential Health Effects:
Eye contact:	Contact may cause mild, transient irritation. Some redness and/or stinging may occur.
Skin contact:	Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to mild and transient.
Inhalation:	May cause mild, transient respiratory irritation. Avoid prolonged contact to concentrated vapors.
Ingestion:	Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion cundiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.
Chronic Effects:	None when used as directed.

	Evolution is number to the	Section 4. First Aid Measures
Eye:		Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, conssult a physician.
	Skin:	Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, consult a physician.
	Inhalation:	If respiratiory irritation occurs, remove individual to freash area. If condition persists, consult a physician.
	Ingestion:	Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute fluids (water or milk) and treat symptomatically. Do not induct vomiting. Consult a physician.

	Section 5. Fire Fighting Measures	rijerija proposija proposija i pr
Flammability Classification:	Flammable liquid	
Unusual Fire & Explosion Hazards:	Flammable liquid. Explosive mixtures may form with air if large quantities of product are released in unventilated areas.	
Extinguishing Media:	Dry chemical, foam, carbon dioxide, water.	
Fire Fighting Instructions:	The use of self-contained breathing apparatus and full protective gear is recomming the results. Fight fire upwind.	mended for fire

	Section 6. Accidental Release Measures
Large Spills:	

Keep sources of ignition and hot metal surfaces isolated from spill. Stay upwind and away form spill/release. Isolate immediate hazard area and keep unauthorized personnel out. Stop spill/release if it can be done with minimal risk. Wear appropriate protective equipment including respiratory protection as conditions warrant. Keep out of water supplies.

	Section 7. Handling and Storage.
Handling:	When used as intended, no additional protective equipment is necessary. Use chemical goggles if likelihood of eye contact. Wash unintentional residue with soap and water using gloves and other protective clothing (i.e. apron, boots, etc.). Ventilate area and eliminate all ignition sources.
Storage:	Store containers in cool, dry, well-ventilated areas away from heat and direct sunlight. Keep away from any incompatible material (see Section 10). Protect container(s) against physical damage. Keep out of reach of children. Avoid sparks, flame, or smoking.

多的数数数数数数数数数	Section 8. Exposure. Controls / Personal Protection
Engineering Controls:	A well ventilated room with adequate air circulation.
Respiratory:	If used with adequate ventilation, no protective equipment is necessary.
Skin:	While contact with this material is not expected to cause appreciable irritation, the use of gloves
Eye/Face:	While contact with this material is not expected to cause appreciable irritation, the use of approved eye protection to safeguard against potential eye contact is considered good practice.
Other Protective Equipment:	A source of clean water should be available in the work area for flushing eyes and skin. Impervious clothing should be worn as needed.

Concentrate Only:		Finish Product:	
Appearance:	Light yellow or straw colored liquid	Vapor Density:	N/D
Boiling Range:	ND	Evaporation Rate:	N/D
Flash Point:	Less than 100° F	-	
Specific Gravity:	0.900 +/- 0.012 (water=1)		
рН:	8.0 - 9.0 (as is)		
Weight per Gallon:	7.500 +/- 0.10 #/gal	and the community which is a community with the community of the community	
Solubility (water):	Soluble		

	Goddin to, Cabinity and Meaching a second	
Chemical Stability:	Stable under normal conditions of storage and handling.	
Conditions to Avoid:	Avoid extreme heat and ignition sources. Store away from oxidizers.	
Incompatible Materials:	Avoid contact with strong oxidizing and reducing agents. Strong acids and bases. (Household Ammonia, Drain openers etc.)	
Hazardous Decomposition Products:	Unknown.	
Hazardous Polymerization:	Will not occur.

Product Code: NEU30000

Section 11. Toxicological Information

MSDS #
NEU003-SW-878
Issued: 01/26/12

Section 12. Ecological Information

No definitive information found on carcinogenicity, mutagenicity, target organs or developmental toxicity.

Not found

Section 13. Disposal Considerations

Along with properly characterizing all waste materials, consult state and local regulations regarding the proper disposal of this material.

	Section 14. Transport Information
1. DOT (Ground)	
Shipping Name:	Consumer Commodity
Hazard Class:	ORM-D
2. IMDG (Overseas)	
Shipping Name:	UN1170, Ethanol Solutions, 3, PGII, LTD. QTY.
Class:	3
UN No.:	UN1170
3. IATA (Air)	
Shipping Name:	Consumer Commodity
Class:	9
ID No.:	ID 8000

Section 15. Regulatory Information

Toxic Chemicals List under SARA Section 313 of the Title III and 40 CFR Part 372.

The product described in this Material Safety Data Sheet is regulated under the Federal Food, Drug and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

SARA 313/302/311/312 Chemicals: None

Chemicals under California Proposition 65

This product is not subject to warning labeling under California Proposition 65.

Flammability Classification 16 CFR, Ch II Subch. C, Part 1500.45

Flammable

Code of Manufacture and Storage of Aerosol Products NFPA 30B

N/A
