

Material Safety Data Sheet

Section 01 – Product Identification

TIGI Linea, LP
1655 Waters Ridge Dr.
Lewisville, TX 75057
469 528-4300
800 259-8596

In case of medical emergencies, please contact your local poison control center.
Transportation Emergency Telephone: US & North America: 1800 424-9300
International: (703) 527-3887

Product Class: Styling Product

Original Date: 8-Jan-09

Trade Name: **TIGI Rockaholic Punk Out Molding Gunk**

Section 02 – Physical & Chemical Properties

Appearance: Opaque, beige paste
Odor: Lightly fragranced
Boiling Point: Not determined
Vapor Pressure: Not determined
Vapor Density (Air=1): Not determined
Water Solubility: Partially miscible
Specific Gravity at 25 °C (77 °F): Not determined
pH: 5.0 – 6.5
Flash Point (Closed Cup): Not determined

Note: Values are not products specifications.

Section 03 – Fire Fighting Measures

Flammable Properties

Flash Point (Closed Cup): Not determined
Autoignition temp.: Not available
Flammability Classification: Not flammable
Extinguishing Media: Water spray, Carbon dioxide, dry chemical, or alcohol foam
Fire Fighting Instructions: Self-contained breathing apparatus and protective clothing should be worn in fighting large fires involving chemicals. Determine the need to evacuate or isolate the area according to your local emergency plan. Use water spray to keep fire exposed containers cool.

Section 04 – Stability and Reactivity

Stability: Stable.

Conditions to Avoid: Avoid excessive heat and ignition sources.

Incompatibility (material to Avoid): Strong bases. Strong oxidizers

Hazardous Decomposition Products: Combustion may yield carbon oxides, silicone dioxide, formaldehyde, and other unidentifiable organic compounds.

Hazardous Polymerization: Will not occur

Section 05 –Hazard Identification

Emergency Overview

Appearance: Opaque, beige paste

Potential Hazards: Spilled material may pose slip hazard

Potential Health Effects

Eye Contact: Causes irritation. Keep out of eyes

Skin Contact: Product is nonirritant to the skin when used as directed

Inhalation: No hazard with normal use

Ingestion: May cause abdominal discomfort, nausea, or diarrhea.

Section 06 – First Aid Measures

Eyes: Check for and remove any contact lenses. Immediately flush eyes with plenty of water, including under the eyelids for 15 minutes. Seek medical attention if irritation persists.

Skin: No adverse effects are expected. If irritation occurs, wash exposed area with soap and water

Inhalation: No adverse effects due to inhalation of vapors are expected.

Ingestion: If swallowed, do NOT induce vomiting. Give victim a glass of water or milk. Call a physician or a poison control center. Never give anything by mouth to an unconscious person.

Section 07 – Accidental Release Measures

Small Spill: Absorb spill with an inert material (e.g. dry sand or earth), then place in a chemical waste containers.

Large Spill: Contain spill product with sand or earth. Clean area as appropriate since the product may present a slip hazard. Final cleaning may require use of steam, solvents or detergents. Dispose of saturated absorbent or cleaning materials appropriately, since spontaneous heating may occur. Local, State and Federal laws and Regulations may apply to release and disposal of this material, as well as those materials and items employed in the cleanup of releases.

Section 08 – Handling and Storage

Handling: Avoid contact with eyes. Do not ingest.

Storage: Keep container closed when not in use. Store in cool dry area away from heat. Do not store in direct sunlight. Keep out of reach of children.

Section 09 – Exposure Controls/Personal Protection

Ventilation: Use in a well ventilated area

Respiratory Protection: None required

Skin Protection: Used gloves as a standard industrial handling procedure

Eye Protection: Safety glasses or goggles

Section 10 – Toxicological Information

Reported Human Effects: No human data are available for this product

Reported Animal Effects: No animal data are available for this product

Section 11- Ecological Information

Bioaccumulation: No data available

Ecotoxicity Effects: No data available

Aquatic Toxicity: No data available

Section 12 – Disposal Considerations

Waste disposal must be in accordance with appropriate Federal, State, and Local Regulations. This product, if unaltered by use, may be disposed of by treatment at a permitted or as advised by your local hazardous waste regulatory authority. Residue from fires extinguished with this material may be hazardous.

Section 13 – Transport Information

U.S. Department of Transportation (DOT)

Proper Shipping Name: Consumer Commodity

Hazard Class: ORM-D

UN/NA Code: None

Packing Group: None

Section 14 – Other Information

DISCLAIMER: This MSDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by the manufacture to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee exposures, property damage or release to the environment. The Manufacture assumes no responsibility for injury to the recipient or third persons or for any damage to any property resulting from misuse of the product.
